Financial Policy

Please note that payment is required unless prior arrangements have been made.

We will file your insurance claims for you if you are on Medicare, Medigap and any other insurance plan with which we participate.

You will be responsible for payment of deductibles and/or co-payments at the time of service. Your insurance company has 45 days to make a payment. If payment is not received within that period and follow-up reveals no error in billing, you will then be responsible for payment of service you received

Statements will be mailed and payment is due upon receipt.

We may require payment of account balances prior to being seen.
Unless prior arrangements have been made, all overdue accounts will be forwarded to collections after sixty (60) days.
We reserve the right to charge a fee for all delinquent accounts.
For additional information, please contact the office.
