## Health Insurance Portability & Accountability Act (HIPAA)

The Federal HIPAA (Health Insurance Portability and Accountability Act) Laws are to protect the confidentiality of your Health Information. The law gives you the right to request certain restrictions on the disclosure of your information.

As permitted or required by State or Federal law, we may disclose your health information to law enforcement officials under certain limited circumstances. We may be required to disclose to Federal or Military authorities health information necessary to complete an investigation related to public health or national security.

We may share your health information with those you tell us will be helping you with treatment, medications, test results or payment. Please list anyone that will be involved in your medical care.
